REMARKS

The month of publication for documents (B), (C), (F), (I), (J) could not be determined. The years of publication for these documents are sufficiently earlier than the effective US filing date and/or the foreign priority date of the present application so that the particular month of publication of the documents is not in issue (MPEP 609).

Item (I) is a non-English document and Item (J) provides an English summary. This document describes the significance of E. coli of two O-groups in the etiology of infant diarrhea.

The Examiner is respectfully requested to consider the enclosed document identified in this paper and in the attached Form PTO/SB/08B during the course of examination of this application.

Respectfully submitted,

HOWSON AND HOWSON
